

2020 BUDGET SCORECARD HEALTH PRIORITIES FOR OUR COMMUNITIES

Updated: June 26, 2020

Issue	May Revision	Senate Action	Legislature Proposal	June Budget Agreement
Health4All Elders Require Medi-Cal to extend full scope coverage to all low-income eligible adults, regardless of immigration status (\$87M)	January proposal to extend full- scope coverage for all undocumented elders withdrawn	Included in the budget	Included in the budget with delayed January 2022 implementation	Delayed indefinitely contingent upon economic recovery
Adult Dental Benefits Provides for the full range of adult dental benefits in Medi-Cal including gum treatment, partial dentures, and root canals for back teeth	Proposed to reduce benefits to 2014 levels (removing gum treatment, partial denture and root canals for back teeth)	proposed reduction to 2014 levels	· · · · · · · · · · · · · · · · · · ·	Maintains the full adult dental benefit
Mental Health Equity Funding Capacity building and technical assistance funds to support community defined mental health programs to reduce disparities by race, language, age, gender identity, sexual orientation, and disability status. (\$8M)	Proposed reversion of the fund	Rejected the Governor's proposed reversion	Rejected the Governor's proposed reversion	Maintains the Mental Health Equity Fund (\$8M)

Health Navigator Program Provides funding to support health outreach and enrollment navigators to enroll hard to reach populations into Medi-Cal previously approved as part of the 2019-20 budget. (\$60M state and federal)	Proposed partial reversion of FY 2020-21 \$15 million state general fund for the program also foregoing \$15 million federal matching dollars	Rejected the Governor's proposed partial reversion; allowed for backfill with private funding	Rejected the Governor's proposed partial reversion	Maintains the Health Navigator Program in full utilizing General Fund and federal matching dollars (\$60M)
Black Infant Health Program Provides additional funds for empowerment-focused group support services and case management to improve the health and social conditions for African- American women and their families (\$7.5 million) previously approved as part of the 2019-20 budget.	Proposed partial reversion of program funding	Rejected the Governor's proposed partial reversion	Rejected the Governor's proposed partial reversion	Maintains funds for the continuation of the Black Infant Health Program (\$4.5M)
Aged and Disabled Program Expansion in Medi- Cal/End of the Senior Penalty Align the income eligibility for the Medi-Cal Aged and Disabled program (currently at 123% FPL), with the rest of Medi-Cal under the age of 65 (currently at 138% FPL). Without this, over 20,000 low-income seniors and those with disabilities between 123-138% FPL face high Medi-Cal costs.	Proposed not to implement the expansion of eligibility for Aged and Disabled Program to 138% FPL		Rejected the Governor's proposal	Continues implementation of expansion of eligibility for the Aged and Disabled Program to 138% FPL
Optional Benefits in Medi-Cal Provides for the full spectrum of optional services provided through Medi-Cal including dental care, optometry, optician/optical lab, audiology, incontinence creams/washes, pharmacist- delivered services, speech therapy, podiatry, acupuncture, nurse anesthetists, occupational therapy, physical therapy, and the Diabetes Prevention Program		Provides \$6.1 million to restore optional benefits: audiology, incontinence creams and washes, podiatry, and speech therapy	Rejects the proposed elimination of all optional benefits	Keeps intact the full scope of optional benefits in Medi-Cal (\$54.3M General Fund)

Additional Budget Priorities

Updated: June 23, 2020

Issue	May Revision	Senate Action	Legislative Action	Final
Improve Medi-Cal Access using Prop 56 Tobacco Tax Investments <u>\$50 million</u> for Family PACT planning services; <u>\$30 million</u> for early developmental screenings for children; <u>\$22.5 million</u> for adverse children experiences (ACEs) screening for children & adults in MediCal; <u>\$25 million</u> in training on trauma screenings; <u>\$250</u> <u>million</u> to encourage Medi-Cal managed care plans to meet "value" goals like chronic disease management; <u>\$120 million</u> in loan repayment for Medi-Cal physicians and dentists. Sunsets December 2021			Rejected the Governor's May Revise proposal to eliminate \$1.2 billion in Proposition 56-funded supplemental payments to various Medi-Cal providers, but suspends these payments (with the exception of women's health services) on July 1, 2021 unless specified state fiscal conditions exist. These providers include:	Rejects proposal to eliminate \$1.2 billion in supplemental payments to Medi-Cal providers through Proposition 56 funds, but suspends payments starting July 1, 2021 (with the exception of women's services) if certain fiscal conditions are not met.
Delay of Cal AIM (Advancing and Innovating Medi-Cal) 1115 Waiver Reforms Includes investment in the transformation of the Medi-Cal program to increase coordination and quality of services for beneficiaries (\$347.4M)	Proposed cut in funds to implement Cal-AIM due to one-year delay	Adopts proposed cut	Adopts proposed cut	Cuts adopted (\$347.5M)

Improve Affordability Assistance in Covered California Includes subsidies for individuals who are between 400 and 600% FPL, up to approximately \$75,000 for individuals and \$150,000 for a family of four.	Preserved the Covered California health insurance subsidies enacted in the 2019 Budget Act but proposed a decrease of \$164.2 million General Fund in 2019-20 and \$90.3 million General Fund in 2020-21 to reflect lower-than- projected enrollment in state subsidies.	Provides \$300 million in addition to the \$300 million proposed by the Governor to expand subsidies for Californians up to 600% of federal poverty (about \$150,000).	Approved the May Revise requested reduction in General Fund expenditure authority of \$164.2 million in 2019-20 and \$90.3 million in 2020-21 to reflect lower than projected state subsidy program enrollment in the Covered California Health Benefit Exchange.	Preserves the Covered California health insurance subsidies enacted in the 2019 Budget Act with requested decrease due to case adjustments.
Eliminate Dental Managed Care in Sacramento and Los Angeles counties Proposed to transition Medi-Cal dental services from a managed care delivery system, currently mandatory in Sacramento and Los Angeles, to a fee-for-service system in January 2021. (\$8.9 million General Fund)	No change	No change	Defers without prejudice the Administration's January budget proposal to eliminate dental managed care in Sacramento and Los Angeles, for \$8.9 million General Fund.	Maintains dental managed care in Sacramento and Los Angeles County for calendar year 2021.
